Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Following a review of sales within the prescribed area and period, only two properties were identified as sufficiently comparable to the subject property. No third suitable sale was identified, having regard to the property's accommodation, land size, condition, workshop and improvements.
